## **Rules(BE SURE TO READ THEM CAREFULLY)**

1. Drivers must be 16 years of age or older and have a valid Driver's Licence.
2. Open to any front wheel drive car that is newer than 1980.
3. Stock gas tank must be removed. Must have Steel Marine Gas Tank or a small foreign car tank under 5 gallons. Tank must be SECURELY FASTENED(no tarp straps) in the rear seat area and covered with a non-flammable material.(Tin or asbestos)

4. All glass and lights must be removed from car except windshield. If windshield removed, a wire mesh must be applied in its place. Cars will not be allowed to run with broken glass in them.
5. All doors, hood and trunk lids must be fastened shut using CHAIN ONLY. ABSOLUTELY NO WELDS OR WIRE
6. Batteries must be placed on the floor boards of the driver's compartment, passenger side and SECURELY FASTENED(no tarp straps) in a leak proof container and covered. One Battery only allowed
7. Radiators must remain in stock position or be taken out. (No transmission coolers.) NO ANTIFREEZE permitted in radiator water only. Fan may be removed
8. Front doors must be painted white for numbering. Number will be assigned on day of derby.
9. Interior of car must be completely removed, including flammable material of rear seat and headliner. Cars must be swept clean. All CHROME to be removed from cars.
10. It is suggested that the inside of the drivers' door only be reinforced with a steel bar, angle iron or pipe. Length not to exceed 8" on either side of the door. DO NOT WELD TO FRAME.
11. No double or liquid filled tires allowed, tires must not exceed 15" or 4 PLY-B-LOAD RANGE MAXIMUM. No studs or screws in rims to hold tires.
12. Welded or spooled rear ends allowed.
13. Bumper ends may be cut off(the shock must be drilled and the bumpers chained to the frame only), fenders may be cut for wheel clearance only. NO welding or reinforcing of frame. NO trailer hitches allowed. Enforcing of this rule will be strict.
14. No blocking or welding of springs or shocks. No alteration of suspension allowed.
15. Must have air breather in stock location. A 15" diameter hole must be cut out of hood directly above breather.
16. A strong wire or nylon mesh is mandatory to cover the driver's door window.
17. Must have minimum of stock seat belts in working order.
18. Must have C.S.A. approved helmet or safety goggles.
19. Must wear fire suit or coveralls(preferable treated)
20. All cars must have a fire extinguisher and fastened securely in driver's reach.
21. All cars must have brakes to enter.
22. Driver's meeting will be held 20 minutes prior to Derby time. All drivers must attend(only drivers allowed at meeting). Failure to attend will result in immediate disqualification with no refund. All cars must be Derby ready prior to entering pits. Pit Gate closes at 1 p.m. Be there early.
23. Only drivers and two pit men who sign release sheets(must be at least 16 year old to be in the pit area) will be permitted in the pit area or on the track. MAXIMUM 3 PERSONS PER CAR 24. All cars will be subject to approval by officials in charge.
25. All Officials decisions final.
26. Driver ONLY gets in FREE.
27. ALL cars must be removed from grounds evening of derby or they become the property of Harriston-Minto Agricultural Society.
28. Must have mesh over driver's window.
29. Fuel shut off switch needs to be installed.
30. Driver seat can be reinforced.

**LADY DRIVERS WELCOME**  
**FIRST 36 ENTRIES WILL BE ACCEPTED.**
