2023 - 2024 Fall Fair Ambassadors

Sr. Ambassador Message

Being the 2023-2024 senior ambassador of the Harriston Minto Fair has been an honour and I am very grateful for all of the experiences I have had and people I have met. During the fall fair weekend I was able to take part in as many events as I could, with the highlights being the parade, the soap box derby, the pie auctions and the demolition derby. It is always amazing to see so many members of the community out and enjoying themselves together. This past year I also took part in a district 7 meeting where myself and 17 other ambassadors from the district got a chance to meet, collaborate, and work on our public speaking skills together. At the Ontario Association of Agricultural Societies (OAAS) convention I got to spend the weekend in Toronto with over 60 other ambassadors who attended from all around the province. This was truly an unforgettable weekend filled with lots of fun memories and learning experiences. Throughout the year I also attended various community events including the Harriston Street Party, the Harriston and Palmerston Holiday Parades and the Harriston East Egg hunt. I would like to thank the Ambassador Committee members for their ongoing support and dedication to the program, as well as the Harriston Minto Agricultural Society for their ongoing dedication to the Fall Fair and their efforts to continue agricultural education within the community.

2023 - 2024 Fall Fair Ambassadors

Jr. Ambassador Message

The year of being junior ambassador has almost come to end. The year has been filled with many great experiences like the Fall Fair, The Harrison Street Party, and the Santa Claus parade which are just a few of my favorite events I've been to. Working with the town and Julia has been amazing and something I will never forget. It's both exiting and sad to see this go because I get to see what the next ambassadors will do for the community but I also have to say goodbye to all the good times I've had. Even without being the junior ambassador I will still participate in many community activities and events. I'd love to say thank you to Julia for making this such a fun and memorable experience, to Jackie for helping organize all the events we went to, and of course to the community for being so joyful and fun to work with. To next year's ambassador I hope you can have all the same experiences I've had and enjoy them because it was probably one of the best experiences of my young life.

- Lexi Drummond
